Dear Mr. Blanco,

On behalf of AMPF Development LLC, Halff is requesting a zoning change for an undeveloped property located at the intersection of Resaca Bend and Carmen Avenue in Rancho Viejo, TX 78575. The property was recently annexed into the Town of Ranch Viejo and is currently zoned for recreational use. We are proposing a rezone to single-family residential zoning. Attached to this letter is the legal description and an exhibit of the property.

This zoning change is essential as we plan to subdivide the property into five residential single-family lots. The development will include all necessary facilities and amenities to ensure a comfortable living environment. We have taken all necessary steps to ensure compliance with zoning regulations.

Thank you for your time and consideration.

Sincerely,

SEND VIA-EMAIL TO FRED BLANCO TOWN ADMINISTRATOR (LETTER NO. 2)

February 27th, 2025

Mr. Fred Blanco
Town Administrator,
3301 Carmen Avenue,
Rancho Viejo, Cameron County,
TX 78575

RE: LOT 2, BLOCK 1, (2.47) PASO DEL RIO SUBDIVISION

Dear Mr. Blanco,

In an effort to comply with the subdivision requirements for the referenced proposal, we hereby tender this letter to supply the information needed as outlined in

The following Letter is a correction to the first Letter that was sent by me with the attachment's documents.

The legal owner of Lot 2, Block 1, Paso Del Rio Subdivision is RGV International, Doctor Carlos A. Barba and his wife Ruby Barba, Both Managers Members of the Limited Liability Company, the Lot is Zoned as multi-family. Their personal residence is located at 313 Escandon Avenue, Rancho Viejo, Texas, 78575; Golden Estancias, LLC is the Developer Administrator.

Our current Engineer is Casa Engineer and Surveyors, the owner is Mr. Juan V. Garcia, PE. We are submitting the requested authorization from the Board of Alderman exclusively for the 2.47 acres on Paso Del Rio Subdivision. The owners propose to subdivide the three lots comprising the 2.47 acres in order to allow a boulevard fifty (50') feet in width going from east to west; the boulevard will cut through the three lots. The proposed fifty foot ROW will take twenty-five feet from the two lots on the northern section of the 2.47 acres and twenty-five feet from the lone lot at the southern portion of the 2.47 acres. The proposed boulevard will be a continuation of the existing Canteros Dr. of Las Haciendas Subdivision I. The linear feet of the proposed boulevard is approximately 328 feet that exclusively affect the 2.47 acres; this section will connect with an eventual boulevard that will be constructed in county property. The section of the county's proposed boulevard that will run east to west will be named Canteros Dr. as well, and will intersect with Cordillera Boulevard that will run from south to north, the remaining section of the boulevard in county property. Finally, the current zoning of the three lots in this proposal is multi-family---the owners request that the zoning remain the same.
